Annual Conference 2026

Welcome Message

Dr. Nora Alkhudair
SOPS Chairwoman

It is a great honor to welcome you to **the Annual Saudi Oncology Pharmacy Society (SOPS) Conference 2026** in Riyadh.

This landmark event reflects our shared commitment to advancing oncology pharmacy practice through excellence in education, innovation, and collaboration. The program has been thoughtfully designed to address key priorities in our field, including competency-based training and certification, the advancement of ambulatory oncology pharmacy services, and the integration of emerging, biomarker-driven and targeted therapies into clinical practice.

Across a comprehensive series of expert-led sessions, panel discussions.

By bringing together leading experts and dedicated professionals, this meeting serves as a platform to exchange knowledge, strengthen competencies, and inspire continued progress in improving outcomes for patients with cancer.

Warm Regards,
